**KONIKU INC.**

# LETTER OF INTENT

Non-Binding Expression of Commercial Intent

January 28, 2026

**Between:**

**Koniku Inc.** ("Koniku"), a California C Corporation

**and**

**Lola Vision Systems, Inc.** ("LVS"), a Delaware C Corporation

**Purpose**

This Letter of Intent ("LOI") expresses Koniku's intent to purchase LVS-250 Neural Compute Engines from Lola Vision Systems for integration into Koniku's sensor platform products, subject to the successful completion of technical qualification and execution of a definitive purchase agreement.

**Volume Commitment**

- Product:** LVS-250 Neural Compute Engine
- Initial Volume (2027):** Minimum 10,000 units
- Target Pricing:** \$1,650 per unit (subject to final negotiation)
- Estimated Value:** \$16,500,000 USD minimum

**Timeline**

The parties intend to complete technical qualification by Q3 2026 and execute a definitive supply agreement with binding purchase orders by Q4 2026, with initial production deliveries beginning Q1 2027.

**Confidentiality**

Both parties agree to maintain confidentiality regarding the specific terms of this LOI and any technical or commercial information exchanged, except as required for financing, regulatory, or

legal purposes.

**Non-Binding Nature**

This LOI represents a statement of intent and is not a binding commitment to purchase. A binding obligation will only arise upon execution of a definitive supply agreement containing mutually agreed terms and conditions.
